

Bennington, NH Fire and Rescue Department Minutes of the Meeting – March 2, 2010

- Recent Calls
 - Good attendance from department members at recent fire calls.
 - Small issues that were addressed directly with the people who were involved.
- Elevator Training
 - Joe will continue to work on scheduling elevator training at the ski area.
- Inventory
 - Inventory of ALL FD issued items will be on Saturday (2/6/2010) at the station from 0800-1000. Someone will be available at a later time that day if a member is unable to make it in the morning.
 - Inventory includes EVERYTHING that has been issued including, forestry gear, EMS Gear, Uniforms, etc.
- Awning on Rescue has been repaired and all bottles & packs are back in service; bottle & packs are on the vehicles.
- April 1, 2010 is the deadline for the next round of Fire Fighter Grants
 - Discussion among members regarding what grant items would be beneficial; generator and EMS Gear among the items discussed.
- SCBA testing will be done on Saturday during the inventory check for members who still need to take tests. All members passed the parts that have been taken thus far and the testing will be continuing until all parts are completed.
 - Reminder that the testing must be passed in order to ride on the Engine.
- Members advised that the Rescue License has been received.
- Reminder to attend Sunday morning Truck Checks if it is your assigned week.
 - If you are unable to attend; advise the crew Chief.
- Reminder to sign Pay Roll sheets if you want to be paid. Pay Roll submitted without members signature may result in the member not being paid.
- Brush Truck Update – the truck is almost complete.
- 4E1 had a brake issue that has been repaired.
